Please note that the flight schedule has yet to be confirmed by any low-cost airline. As a consequence, we have allowed for an amount slightly greater than the costs have been in May of this year for the appropriate route. However, should the cost either increase or decrease the total cost will reflect whatever change is required (either up or down).

The price included for flights is also based on Sport Tours Italia being able to book flights at the earliest opportunity to gain the most favourable price. We would require full payment for the flight element at this stage.

There is no allowance for hold luggage in these costs nor for any name changes – these would be charged for at cost.

We will, of course, monitor the airlines schedule release (likely to be in Aug/Sept) and inform you of any changes.

## **CONCLUSION**

Thank you for giving Sport Tours Italia the opportunity to present this quote.

Whilst we fully appreciate that you have given us a maximum budget of £300 we have included two options that slightly exceed this. We felt that the location of these two might be of enough interest to warrant the marginally increased cost.

Should any of these options be of particular interest we can put together a more comprehensive itinerary for you.

If you want to go ahead with any of these options we would require a £100 per person deposit to hold the accommodation and transport at the quoted price. Payment for the flights will be required, in full, at the time of booking. The final balance for the trip would be required 9 weeks prior to departure.

If you have any questions relating to this proposal, do not hesitate to contact me.

**QUOTE IS VALID FOR 30 DAYS FROM DATE OF RECEIPT VIA EMAIL**
